## Logistics

Parking is available for a charge at a parking lot on the east side of the Capitol between Logan and Grant Streets.

You can enter the Capitol from the ground level at the South Entrance (ADA compliant) or by going up a set of stairs from the North Entrance. You will need to go through security. When passing through the metal detectors, items that are metal (change, keys, etc.), and cell phones should be placed in one of the provided bins. Adults and/or children with special needs and/or medical devices will be assisted through the security process by a security guard or Trooper. Pocket knives, firearms and other similar items are not allowed in the building.

There are public restrooms located on the north side of the building on the basement level of the Capitol. There are additional restrooms located by the Old Supreme Court Room.

The Legislative Breakfast is located outside of the Old Supreme Court Room, which is located on the 2<sup>nd</sup> floor of the Capitol. When you exit the elevators, go to the right and you will see the group on the far side of the railing.
